

110V LED Task Light

Product Codes: **ST20LED110V**

Safety Warning

- The installation should be carried out by a qualified electrician in compliance with the current edition of the IEE Wiring Regulations.
- Prior to installation, carry out the necessary risk assessment considering the people who could be at risk, the level of risk and the precautions required to control the risk
- Ensure that the circuit supply is isolated either by the circuit supply fuse being removed or the applicable circuit breaker being turned off before installation or any maintenance.
- Check the total load on the circuit ensuring the luminaire does not exceed the rating of the circuit cable, fuse or circuit breaker.
- Long-term use and voltage fluctuations can reduce the life span of the fitting.
- If the fitting incorporates control gear, ensure careful sizing to avoid instances of nuisance tripping of the protective device used in the installation.
- Follow the provided installation instructions, using the fixings supplied or recommended.
- Keep out of reach of children.

Specification

Box Contents -
1 x 110V 20W LED Task Light

Dimensions:	L: 273 x W: 242 x D: 136mm
Material:	Polycarbonate Cover & Nylon Tough Housing
Working Temperature:	Standard: -20°C - 55°C
Included:	3m Cable 16A Plug & Socket

Installation Instructions

1. Uncoil plug & cable fully from cable tidy on the back of the fitting before use.
2. Always use upright with fitting stood on a firm base.
