Warranty

This product is covered by a 3-year warranty from the date of purchase. The warranty is invalid in cases of improper use, tampering, removal of the Q.C. date label, operating in an unsuitable environment, or incorrect operation. The warranty is also void if the luminaire has been insulation-tested. If this product fails during the warranty period, it will be replaced free of charge, subject to correct operation and return of the faulty unit. We do not accept liability for any third-party costs associated with the replacement of this product. Your statutory rights are not affected. We reserve the right to alter specifications without prior notice.

Maintenance

- This fitting will require routine cleaning if used in adverse (dust, paint, welding, oils etc) environments. Do not use solvents, aggressive detergents or abrasives.
- The light source & driver in this luminaire can not be replaced. When this fitting comes to the end of it's life or you choose to replace it, please do not dispose of it with your normal waste. Please recycle where the facilities exist, check with your local authority for suitable options.
- This product features a user-replaceable battery, extending the life of your lighting fixture well beyond the lifespan of a single power cell. When the battery performance diminishes, simply swap it out rather than replacing the entire unit.
